### **URGENT**

#### **To All Parents and Players of Woolwich Minor Hockey**

As a Not for Profit Organization, the executive is compelled to inform all associated with Woolwich Minor Hockey, the recent decision by Woolwich Council and Staff. Council and Staff has proposed and approved a massive increase in ice rental rates for the next season and beyond.

Unfortunately, as an Association we can only fundraise and solicit sponsorships so far. The remaining increase will have to be absorbed by you, the registrants!

This Association needs to take a stand on the unwarranted rate increases. These increases are disproportionate to any figures presented to Council in previous years. We view this as an easy way out for Council and their staff at the expense of our Association.

We require everyone's voice. If you are not heard, you can expect to pay more to play sports in Woolwich.

Please contact the Mayor and the Councillors to voice your concern. Attend Council Meetings.

These unwarranted increases need to be challenged and overturned.

Remember what we have accomplished in fundraising for our new facility.  
Remember what we accomplished with Hockeyville.  
These accomplishments did not come from one individual. They came from a huge organization. We need to organize and demand what is right.
